

APPENDIX 1: DRAFT PRELIMINARY RECORD OF BURIALS AT HARDEKRAALTJIE PUBLIC CEMETERY, PAROW

29 April 2025

- The information on the death notices is publicly available on <https://www.familysearch.org/en/united-states/>
- ??? indicates names which appear in "Landscape of Dispossession" but which could not be found on FamilySearch.
- When they are not described in the table under comments, the individual is recorded as "mixed" in the death notices.
- The term African is used instead of the various terms used in the death notice.
- It is important to note that names for 1943 is missing and that only the first 6 months of 1946 is available.
- It is not clear why there are no burials recorded in Hardekraaltjie for the years 1914, 1915 and 1916. They may have been recorded elsewhere.
- It is important to emphasise that this list is not complete, and further research may uncover more names.
