To whom it may concern

CAPE INFANTA HOUSING SCHEME: ERF 134 CAPE INFANTA

With reference to your enquiry regarding the above-mentioned housing scheme, please be advised that Eskom is the licensed electricity distributor for the proposed development area.

We confirm the following:

- The development falls within Eskom's supply area, and the nearest feeder with sufficient available capacity is the Heidelberg Farmers 3 feeder.
- Eskom confirms that the **upstream network has adequate capacity** to accommodate the required electrical load of **115kVA ADMD**.
- If we get an application from the developer, Eskom will supply them with a quotation.
- If accepted and all the necessary charges are paid to Eskom, Eskom will make the supply available

Your Sincerely

p/p *Ilme Malherbe*
