Dear Mr Smit

**CAPE INFANTA HOUSING SCHEME : ERF 14 CAPE INFANTA**

BDE Consulting Engineers is involved with a housing residential project in Infanta. The load is for 21 Erven for a total load requirement of 115 kVA ADMD.

Currently Eskom has capacity available for the development , if we get an application from the developer, Eskom will supply them with a quotation and then if accepted by the developer and all the necessary charges are paid to Eskom, Eskom will make the supply available.

Yours sincerely
