PROJECT: ASRIN MANDALAY

The City of Cape Town: WASTE SERVICES has **NO OBJECTION** with the location of the refuse room and the approval of the building plan.

Council's departmental or contracted waste collection teams will not **enter private property**; therefore, the removal of Solid Waste is effected from the kerbside of a public street. The owners/tenants are required to place refuse bins on the sidewalks of a public street on scheduled day of refuse collection.

Yours Faithfully,

**Gévarnia Petersen, for the
DIRECTOR: WASTE SERVICES**
