Dear Interested and Affected Party

NOTICE OF A PUBLIC PARTICIPATION PROCESS FOR A PART 2 AMENDMENT APPLICATION – THE PROPOSED ADDITIONAL WATER RESERVOIRS, CONSOLIDATION OF DISCHARGE OUTFALL A&B AND ASSOCIATED INFRASTRUCTURE WITHIN THE EXISTING WEST POINT PROCESSORS FISH MEAL PLANT, PORTION 3 OF ERF 1097, ST HELENA BAY

DEA&DP Ref: 16/3/3/1/F4/20/3005/22 [Environmental Authorisation issued 27 July 2022]
DEA&DP Ref: 16/3/3/5/F4/20/3045/26 [PART 2 AMENDMENT]

Notice is hereby given of a public participation process in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998; "NEMA"), as amended, and the Environmental Impact Assessment Regulations, as amended, that came into effect on the 07 April 2017. Environmental Authorisation was obtained in terms of the aforementioned legislation from the Department of Environmental Affairs & Development Planning (DEA&DP) for the following listed activities [Environmental Authorisation issued 27 July 2022]: Government Notice No. R327 (Listing Notice 1): 19A, 34, 38, 52 and 65.

Name of Proponent: West Point Processors (Pty) Ltd ('WPP').
Location: Main Road, West Point, St. Helena Bay (Saldanha Bay Local Municipality).

Activity: Amendment of the Environmental Authorisation issued for the 'Proposed Expansion of the West Point Fish Meal Processing Plant on Erf 1097, St Helena Bay'. The purpose of the Part 2 Amendment is aimed at the continued optimising of the design, layout and functioning of the existing facility. The Saldanha Bay Municipality has been struggling to maintain pressure and to provide a constant water flow. Additional on-site water storage capacity will therefore be required to support the site's operational demand. In addition, it has been recommended by the Marine Specialist that the two Discharge Pipelines (Outfall A & B) are to be combined into one outfall (Outfall B) which has proven to improve dilution of effluent prior to discharge thereby reducing the impact significance. Lastly, there is also the inclusion of some minor administrative amendments to the description of the activity e.g. including cold storage on site.

Opportunity to participate: The Draft Amendment Report will be available for public comment from Thursday 15 October – 16 November 2026 on our company website: www.phsconsulting.co.za. Interested and Affected Parties (I&APs) are hereby invited to register as I&APs and/or comment with regards to the proposed amendment application to the contact details below:

PHS CONSULTING (Contact: Jenna Theron)
PO Box 1752, Hermanus, 7200
Tel: (028) 312 1734 | Cell: 082 566 1660
E-mail: jt@phsconsulting.co.za

COMMENTS MUST REACH US ON OR BEFORE MONDAY 16 NOVEMBER 2026.

In order to register or submit comment, I&APs must provide their name and contact details (postal address as well as preferred method of communication, e.g. email); and must give an indication of any direct business, financial, personal or other interest which they have in the application.

Furthermore, please could occupiers who are not owners and owners who are not occupiers who receive this letter inform either party of the proposal and/or provide PHS with the necessary contact details to do so.

Kind Regards,

Jenna Theron
Environmental Consultant
